### EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Meera Narasihman on 7/19/2005.

The application has been amended as follows:

#### In the Claims

Claim 10. Cancelled without prejudice.

Claim 11, line 1, change "10" to --14--.

Claim 12, line 1, change "10" to --11--.

Claim 13. unchanged.

Add claim 14 as follows:

- - 14. A system comprising a device for immovably installing a means of attachment (1) of one or several return springs (2) of a Jacquard weaving machine comprising at least two fixed installing elements (13) for installing retaining means (4), the installing elements (13) comprising one or several recesses for applying the retaining means (4) further comprising, in combination, a device for exerting a return force on at least one harness element of the harness of a Jacquard weaving machine, comprising at least one return spring (2) provided with the means of attachment (1) for attaching the return spring (2) to the retaining means (4) immovably provided, the means of attachment (1) comprising a positioning opening (6) for positioning the means of attachment (1) with respect to the retaining means (4), and a fixing opening (7) for fixing the means of attachment (1) to the

retaining means (4), a spring connection (8) being provided between the positioning opening (6) and the fixing opening (7) enabling the means of attachment (1) to move from the positioning opening (6) to the fixing opening (7) with respect to the retaining means (4), but after having been fixed with respect to the retaining means (4) the means of attachment being unable to move back from the fixing opening (7) to the positioning opening (6) during operation or transport of the Jacquard machine. - -

The following is an examiner's statement of reasons for allowance: independent claims 1, 14 and the respective dependent claims are allowed. Claim 1 requires a novel device for exerting a return force on at least one harness element of the harness of a Jacquard weaving machine. The device includes specific springs means, retaining means and specific operational and location requirements not taught in the prior art. Claim 14 requires a system the includes the device of claim 1 and a device for immovably installing a means of attachment of one or several return springs to the device of claim 1, comprising at least two fixed installing elements for installing retaining means, the installing elements comprising one or several recesses for applying the retaining means.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
